Body-Butter Ecstasy Wrap - 50 mins \$90

This tranquil treatment begins with an exfoliation, followed by a luxurious wrap drenched in pure, warm Shea nut butter. While soaking in the warmth of the wrap, you will experience a calming scalp and temple massage, followed by a tantalizing all over Body Butter massage leaving you silky smooth, moisturized, and relaxed. Shea butter helps restore elasticity, reduce blemishes, scarring and stretch marks, and offers intense hydration for the entire body. (Service includes an exfoliating glove for to take home.) The Shea Nut Trees grow naturally in the grasslands of west and central Africa and does not need irrigation, fertilizer, or pesticides. Shea Butter has been used for centuries in Africa for its moisturizing and healing properties, where it has been used to protect and condition skin, which have been damaged, by the sun and wind. Shea Butter is naturally rich in Vitamins A, E, and E, as well as a number of other vitamins and minerals. Vitamins A and E help to soothe, hydrate, and balance the skin. They also provide skin collagen, which assists with wrinkles and other signs of ageing. Vitamin E contains essential fatty acids, and helps protect and revitalize damaged skin and hair. Shea Butter is an intense moisturizer for dry skin, and revitalizes dull or dry skin on the body or scalp. It promotes skin renewal, increases circulation, and accelerates wound healing.
